**Subject: 2024-2025 Benefit Plan Changes**

Dear Group Administrator:

On your plan renewal date, there may be some changes to the benefits offered in your current plan(s).

Included with this letter is a list of those Blue Cross and Blue Shield of New Mexico group plans that have benefit changes. If your plan(s) are not listed, there are no changes to them. See your Benefit Booklet for any additional changes due to federal or state mandates.

**Your next steps:**

- Find the ten-digit plan ID for your current plan(s) in the “Current Health Plans” section of your renewal exhibit
- Use the ten-digit plan ID to find your group’s benefit changes in the “Plan Changes” document

If you would like to keep your current plan(s) at renewal, nothing else is needed. Your plan(s) will continue with no interruption. If you would like to make a change, contact your broker or call us with questions. A Benefit Program Application Amendment must be completed and returned to us for any changes to your group’s coverage.

Our goal is to serve your health care coverage needs through all of life’s changes. If you have any questions, our team stands ready to help.

Sincerely,

Blue Cross and Blue Shield of New Mexico
