A. Introduction

This directory provides a list of Blue Cross Group Medicare Advantage's network providers in New Mexico.

Blue Cross Group Medicare Advantage is a Preferred Provider Organization (PPO) plan. All Blue Cross Group Medicare Advantage plan providers are available to members through self-referral, with the exception of services that require prior authorization.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. You also have the freedom to see any provider outside of our network, as long as the provider accepts Medicare and is willing to bill the plan.

We are open September 1 – January 31: Daily, 8 a.m. to 9 p.m. CT February 1 – August 31: Monday through Friday, 8 a.m. to 9 p.m. CT. Alternate technologies (for example, voicemail) will be used on weekends and holidays. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You do not need prior authorization to seek medical help in an urgent or emergency situation.

If an out-of-network provider asks you to pay for covered services you receive, please call Customer Service at 1-800-618-6156 (TTY: 711) or send the bill(s) with a note explaining the situation to:

Blue Cross Group Medicare Advantage
PO Box 11968
Albuquerque, NM 87192

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.
